Many College of ACES Scholarships are made possible by alumni, former faculty, or friends of the University. They are pleased to be able to support College of ACES students and often want to know more about the students who win their particular scholarship. In order to facilitate this type of communication with donors, please compose a brief biography about yourself. Elements to include are your name and hometown, year in school, major and career goals and college activities.

Typically students write between 150–300 words for their biography.

What are your career plans, at this time? How has your current major helped you move toward those goals?  
(Limit your response to 300 words.)

From the list of activities you are involved in, please describe how your involvement in these activities enhanced your personal development or furthered your career goals.  
(Response limit is 200 words.)

Please describe your undergraduate research experience including the professor and department in which you were engaged. Limit you response to 200 words.

Please describe your employment experience or internship(s) completed during the school year. Indicate average hours per week worked. Limit you response to 200 words.

Please describe your employment experience or internship(s) completed during the summer. Indicate hours per week worked. Limit you response to 200 words.

Please describe your study abroad experience(s). Limit you response to 200 words.
